Serial No 1

From the Dy Chief Secretary Dept
no 75 29 of 9th July 1930
States that the Committee for the management of the Mal High school at Tirukkanapuram has resolved that consequent on the opening of the VI Form of the High School, an additional teacher on Rs 60-4-80 (for History) may be entertained & a Commerce branch on Rs 30-3-45- also employed & arrangements made for the opening of a Commerce class in the High School & requests to be informed of the resolutions of the Committee require the approval of the higher authority & whether the new appointments & allowances to the High School staff do not require the sanction of Govt.

The Mal High Schools are aided High Schools entitled to a grant-in-aid not exceeding Rs 600 per annum per form. The appointments made & the extra expenditure over & above the fixed grant & the District Board grant, have to be met by the Board themselves

The Dy Director of Public Instruction is a member of the managing Committee & his presence on the Committee is perhaps enough to guarantee the necessity for additional staff for the school Like all Govt aided schools, managed by Govt officers these mal high schools may be left to manage their affairs in respect of additional staff the proper Rule can so long as such additions made to the School do not entail any extra expenditure to Govt In this view the resolutions of the Committee do not seem to require the sanction of Govt in the Edn Section,

3 However as these High Schools are treated as mal high schools under the Control of the municipality Sanction of Govt in the L Sg Dept would perhaps be necessary as the additional appointments made here result in extra expenditure to the mal Council

4 As regards the actual appointment made (by the persons appointed) the approval of the Committee of management subject seems to be enough Whether these appointments should also come
